

HIER LOGISTIC GROUP

INTERNATIONAL LOGISTICS COMPANY AND FREIGHT FORWARDER

HIER LOGISTIC GROUP

We are an international logistics company with more than 16 years of experience in Mexico.

We provide integral services of international logistics with a consultative, professional, and particular approach for each one of our clients.

We offer the following services: Contamos con los siguientes servicios:

- ✓ Air freight
- ✓ Ocean reight
- ✓ Inland freight
- ✓ Warehouse services
- ✓ Customs Broker services
- ✓ International logistics consultancy

WOULD YOU LIKE TO IMPROVE THE LOGISTICS SERVICE EXPERIENCE YOU CURRENTLY RECEIVE?

As experts in international logistics, we understand and provide advice from start to finish in all types of import and export operations so that you can focus on those processes that give the most value to your business.

We support our customers in the search for and analysis of suppliers, help them identify tariff restrictions, routes, delivery methods, etc. You will be able to evaluate the feasibility of your project having a complete and timely visibility of all costs and times associated with your import or export process.

Are you looking for a freight forwarder to help you complete your import process?

We offer the flexibility to handle the part of the logistics service that is most convenient for you, from simple transportation or storage to complex logistics operations. We optimize all activities around information, material and financial flow.

Are you looking for other value-added logistics services?

We can offer you the complete and integrated solution in your logistic processes, from a general and sectorial importers register to the support in the search, analysis and selection of reliable suppliers for import services with special focus in Asia.

We have a team in China that can negotiate for our clients the best prices with reliable factories.

*“More than a freight forwarder in Mexico,
your expert in international logistics services”.*

SECURE AND EFFICIENT DELIVERY

We know that your products have great value and importance for your business and that in a long process there can be unforeseen events, that is why we have merchandise insurance for shipment, road custody and in case of accident we accompany our clients in the process of the insurance claim from beginning to end.

We supervise and coordinate exhaustively the follow-up of the shipment, we gather all the necessary, correct and timely documentation, we communicate and report continuously the status of the operation and above all we emphasize the personalized and continuous attention for each one of our clients.

CONSULTANCY AND SUPPORT

Hier Logistic Group's team of experts is ready to deliver and demonstrate their knowledge and service attitude in support of your business, providing advice and security at all times, and at all stages of the process.
